It's time to register for the 2018 Provider Education Summit (formerly the Provider Education Fairs).

This **free** workshop is a collaboration between multiple healthcare organizations. We'll feature a wide range of engaging subjects, including the ever popular payer panel. Last year's events attracted more than 350 attendees, including billers, coders and office managers from across the state. The events will be held in four locations - Salt Lake City, Ogden, Provo and St. George - to offer providers from all areas of Utah the opportunity to participate.

This year's theme is "Plug in to Best Practices" and will cover topics from credentialing, diagnosis coding, HIPPA, updates in Medicare and dealing with difficult clients.

Visit www.uhin.org/events/provider-education-summit-2018 to register or contact education@uhin.org for any questions.
